2025 Jan/Feb Choose Life Update

Thank you for your continued support for pro-life efforts in Delaware!

Dear Members of Choose Life, Delaware,

I hope this letter finds you well and filled with renewed hope for the future of our efforts in defending and supporting the sanctity of life.

Our membership renewal drive in 2024 produced a 75% renewal! If you did not have an opportunity to renew your membership, you can go here and renew online https://chooselifede.org/renewal.

As a reminder, if you have more than one pro-life plate in your family, the renewal fee is one fee of $20.00 which covers the entire family.

If you have multiple cars, please apply online to obtain a PL plate for all your cars! You can do that here: https://chooselifede.org/apply-online

This year, we continued to be committed to donating $1000.00 to each of the 6 pregnancy centers we support in Delaware. Your membership and registration of additional PL license plates helps us to continue this support!

As we continue to witness significant changes both in Washington, D.C. and right here in Delaware, it is a good time to reflect on the victories we have achieved and to look ahead to the work that still lies before us.

We are pleased that President Trump has pardoned several pro-life advocates who had been arrested for peacefully protesting at abortion clinics and has reaffirming the strength of our convictions and the importance of standing up for life. He also attended the March for Life and signed anti-abortion policies. If you didn't get a chance to go to the March for Life, you can read President Trumps message here: Full Text: President Trump Addresses the March for Life 2025| National Catholic Register

On January 22, 2025, the annual March for Life in Delaware was held, a powerful and moving event that gathered pro-life supporters from all walks of life to stand in solidarity for the dignity of the unborn. Despite challenges, the march was well attended, and we were able to raise awareness and show the strength of our movement. The energy at the event reminded us of all that the fight for life is far from over, and each step we take forward brings us closer to our goal of a society that values every human life.

Upcoming Events in Delaware in 2025

As we move into 2025, there are several key events to mark on your calendars:

- **Choose Life, Delaware:** Stop by and visit our table at the 92nd Annual Dover Days Festival on Friday, May 2, 2025 at 5:00 PM and Saturday, May 3, 2025 at 3:00 PM

- **Right to Life Events:** The Delaware Right to Life organization will continue to host important gatherings throughout the year. These include educational forums, fundraising dinners, and rallies. Keep an eye on their website and social media for more information on how you can participate. Events - Find Upcoming Events - Delaware Right to Life
- **Prayer Vigils:** Weekly prayer vigils take place throughout the year in Wilmington, Dover and Seaford. These prayer vigils are vital not only spiritually supporting the work of the pro-life movement but also publicly showing unity and solidarity among the pro-life faithful.

We encourage everyone to get involved in these events, as they are a powerful means of making our voices heard and continuing to advocate for life. Whether it's through prayer, participation in marches, or spreading awareness, each action makes a significant impact.

Legislation Impacting Human Life in Delaware in 2025l

As we look ahead to 2025, we must remain vigilant in tracking legislation that could affect the protection of human life in Delaware. Delaware Family Policy Council is an excellent organization that monitors bills that may be introduced to expand abortion rights or attempt to secure funding for abortion services. Please check out their website and resources here. History of Margaret Sanger and Planned Parenthood is one of the BEST information speeches I've ever heard.
